

ASUS ExpertBook B2 Flip B2402F

Your Strong, Flexible Partner

ASUS ExpertBook B2 Flip is your powerful partner for everyday office tasks and on-the-go business use — and with a 360°-flippable design for the ultimate versatility. It packs the latest 12th Generation up to Intel® i7 CPU, ultrafast 5G connectivity (optional) and a full complement of I/O ports. It's also incredibly configurable, with a backlit keyboard, integrated SensePoint control, dual SO-DIMM memory for rapid data loading. ExpertBook B2 Flip even has the option of a smart card reader for two-factor authentication, enabling enterprise-grade security that's fit for even the most sensitive settings.

ASUS ExpertBook B2 Flip B2402F

ExpertBook B2 Flip is designed to accelerate through every business task, in the office or on the go — and with a display that rotates through a full 360° for productivity at any angle. The latest-generation Intel® Core™ i7 processor and 5G connectivity (optional) combine to deliver the fast and responsive performance you need, while a dual SO-DIMM upgradable design strikes the perfect performance and provides fast data access. And flexible configurations with an optional smart card reader is ready to deliver business-grade security.

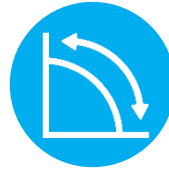

Comprehensive Connectivity

ExpertBook B2 Flip is loaded with I/O ports. These include cutting-edge Thunderbolt™ 4, the next generation of the universal cable connectivity solution that offers support for USB4 interface, 40 Gbps data transfer speeds, 4K display output and fast charging.

Backlit with SensePoint

ExpertBook B2 Flip is available with an optional backlit keyboard that lets you type effortlessly in dark environments. This choice includes ASUS SensePoint, the little pointing nub that delivers a whole lot of control.

Rotate your Vision

The 360°-flippable display is an outstanding feature of ExpertBook B2 Flip. This durable, rotatable Full HD touchscreen is perfect for tablet-style use or traditional laptop tasks – or any angle in between.

Enterprise-grade Security

ExpertBook B2 Flip is packed with technology to provide data security and privacy protection. This includes a physical webcam shield. It also includes a fingerprint sensor, and a built-in smart card reader for easy two-factor authentication.
